Zhepeng Textile Co.,Ltd

Knitted Fabrics Manufacturer You Can Trust

Who We Are

Zhepeng Textile Co.Ltd. was established in 1993,our headquarters is located in Chengdu,Sichuan,China, the hometown of the giant panda.

We specialize in high-quality knitted fabrics for over 30 years, with rich experience and solid technical capabilities.Our knitted fabrics are widely applied to school uniforms, workwear, sportswear, fashion garments and other apparel.

Our factory covers an area of more than 60,000 square meters and holds ISO 9001 Quality Management System , ISO 14001 Environmental Management System certificates,we have complete production lines from yarn material to finished fabric.producing 18,000 tons knitted fabrics per year.We insist on using healthy and eco-friendly raw materials and maintain a strict quality control system, including an in-house certified laboratory, ensuring quality at every stage,from pre-production samples to final inspections. Our products fully comply with OEKO-TEX® STANDARD 100, ensuring safe and harmless textiles for wearing.

We have jointly established an innovation and R&D center with a leading university to conduct in-depth research on the functionality, comfort and environmental performance of knitted fabrics. We devote ourselves to developing safer, more comfortable and sustainable eco-friendly knitted fabric solutions.

We have always been committed to becoming the world's leading knitted fabrics manufacturer, and providing quality products and satisfactory services to our most valuable customers worldwide.

Company Culture

OUR VALUE

Continuous Innovation,Superior Quality,Customer First,Excellent Service

OUR VISION

To be a trusted global partner in knitted fabrics, creating lasting value through quality, innovation and sustainable development
